

Wood with Metal Workshops

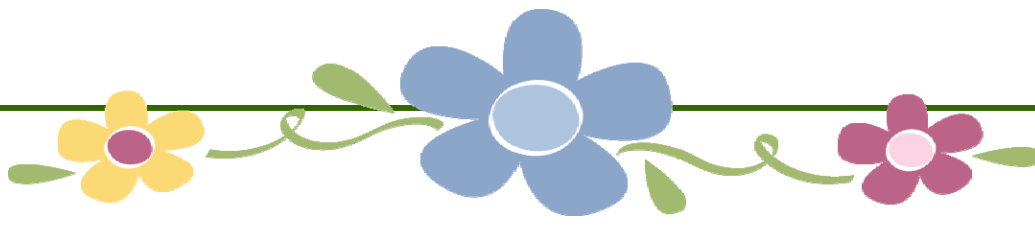

Tooele City Arts Council is excited to announce the addition of the Wood with Metal Workshops to our Community Art Class schedule. We currently have twelve different projects to choose from. Once you see the projects you will want them for yourself, or you will know just the person that you want to make it for. At the workshop you will paint and assemble your choice of project. You can sign up for as many projects as you think you can make in one evening or take home to finish at your own pace. Please remember that you must register at least two week in advance to assure that supplies will be available.

Class will be taught from
7:00-9:00 p.m. on Tuesday, March 30, 2010

The Classes are taught at the Arts and Craft Center at the Tooele Army Depot. To register please come to Tooele City Hall (90 North Main Street, Tooele). Classes must be paid in full by March 16th to be registered. If you have any questions please contact the Tooele City Arts Council at 843-2142 or at terras@tooelecitey.org.
